RANGE OF

GIFTS

"For me personally, my favourite type of gifts at Christmas are gadgets. My wife says that my eyes light up like a child's when I'm sitting cross-legged ripping into the paper. Then it's a case of letting the inner child out and enjoying the day with my family. But the best part of Christmas is watching the family open their gifts, loving what they got and knowing that, as a parent, I nailed it. It's great to get all the gifts together with ease, regardless of who they're for.

"I love both giving and receiving make-up for Christmas! My favourite items in my make-up bag are the Fenty Gloss Bomb, which always adds that perfect pop to any look, and Huda Beauty's setting powder, which keeps everything looking perfect. These are the final touches that transform any look. There's nothing like seeing someone's excitement when they unwrap them – it's a moment they'll relive with every use.

This year, I'll be treating myself with the latest in Korean and western skincare including products from Laneige, CosRX, Olay and No7. As for presents, I'll be gifting my mum with a No7 Future Renew Bundle and treating my husband to a face scrub since he has recently discovered the benefits of exfoliation.

BATH & BODY

A close-up portrait of a Black woman with long, dark braids, smiling broadly with her eyes closed. She is wearing a white, textured robe. In her left hand, she holds a small, white jar of Mario Badescu Coconut Body Butter. The background is a solid, vibrant pink color.

Whether I'm getting ready for a busy day or unwinding for the evening, my bath and body products are core parts of my everyday routine. I always reach for the Aveeno Body Spray – it works wonders and is the gift that keeps on giving. As winter season approaches, my favourite way to spread the festive cheer is by surprising my family and friends with a Soap and Glory gift set.

FOR HIM

"For me, nothing beats getting gifts for Christmas. My siblings love to point out how I light up like a kid when I'm eagerly unwrapping my gifts. It's a day to embrace that playful spirit and just have fun with the family. But honestly, the most rewarding part of the holiday is seeing my family open their presents, loving each one, and feeling proud that I got it just right.

One thing I love most about Christmas is being gifted a new fragrance. The feeling of unwrapping something luxurious is so magical. Premium fragrances are the types of gifts you wouldn't buy yourself, but make the perfect present for any loved one, as everyone loves to smell good. YSL is one of my staple pieces in my fragrance collection. I don't feel fully dressed unless I finish my look off with a fragrance.

GIFTING
INSPIRATION

What makes Christmas for me are the homely scents of spiced apples, nutmeg and cinnamon which is why I love to be gifted anything that makes my home smell nice. A scent can take you back to a certain time and place.

There are candles that I love to gift to my family and friends that are reminiscent of a shared memory which, for me, makes the gift all that more special.

If the item you want is not available in your local store, or it is marked in this guide as 'Order in store or online' or 'Home or store delivery', you can order it in one of the following ways. Delivery charges may apply (see below).

ORDER IN STORE FOR HOME DELIVERY OR TO PICK UP IN STORE

You can now order most products from this guide in a store near you. Just ask the sales team for details on this or for information on your nearest Boots stockist. Please be aware that some products are not eligible for store collection or a standard home-delivery service (e.g. bulky or heavy items and items delivered by supplier). We'll advise you when you place your order.

ORDER ONLINE

An even wider range of products are available to order online at [boots.com](https://www.boots.com). Some products cannot be ordered in store or online for delivery. You will be advised of these when placing your order. If you want to buy these gifts you will need to visit one of our selected larger stockist stores. Products that are marked 'ONLINE ONLY' can be bought only online or through Click & Collect in stores.

DELIVERY

You can choose to have ordered items delivered to your chosen address, or to a Boots store where you can pick them up. Some larger items, marked in this guide as 'Home delivery only', cannot be delivered to a store because they are heavy or bulky (see 'Home and workplace delivery', below). Visit [boots.com/click-and-collect](https://www.boots.com/click-and-collect) for full information on our delivery services and charges.

HOME AND WORKPLACE DELIVERY

Products in this guide are available for delivery, as long as this is to an address in the UK mainland, Scottish Islands or Northern Ireland. This excludes some items delivered by the supplier. We are currently unable to deliver to the Channel Islands. We are currently unable to offer delivery to HM Forces outside of the UK. We are working hard to resolve this and apologise for any inconvenience it may cause. PICK UP IN SELECTED STORES

Many items in this guide can be collected from selected stores. Items that cannot be collected from stores are marked 'Home delivery only' (see Home and workplace delivery above). If you choose to collect your items from a store, make sure you bring your store receipt or order confirmation email if you ordered online. If you have only the order number with you, you will be asked for identification (photo identification such as a driving licence, passport or bus pass). For full terms and conditions, and more information about the Click & Collect service, please see [boots.com/click-and-collect](https://www.boots.com/click-and-collect). Subject to store opening hours. Delivery openings and days available will show at checkout. Excludes Bank Holiday deliveries.

ADDITIONAL POINTS TO NOTE

Delivery charges may apply, visit [boots.com/click-and-collect](https://www.boots.com/click-and-collect) for up-to-date details. If you place an order in store and for any reason we're unable to deliver any items in your order, we'll contact you to arrange a refund and despatch the available items to you. If you order online and we can't deliver some items, you'll be charged for only those items we can despatch. During

busy periods it may not be possible to deliver items to your chosen store within the advertised times. If this is the case we will contact you to let you know.

RETURNS

There are two ways to return an item ordered on [boots.com](https://www.boots.com). You can take it to your local Boots store with your order number and confirmation email. Alternatively, complete the returns paperwork, which you can download by searching for 'returns' on [boots.com](https://www.boots.com), and request a return from our Royal Mail portal. You can also access the portal via the Returns page on our website. For heavy or bulky items, please call customer care on 0345 609 0055*, who will arrange a collection for you. We do not accept Royal Mail Collections. You can return any unwanted item free of charge, whether you bought it in store or ordered it through [boots.com](https://www.boots.com), in the original condition and unused with your proof of purchase, within 35 days, and we'll gladly replace the item or offer a full refund. Items delivered direct from a supplier cannot be returned to Boots, please see the paperwork you received with the order on how to return these items directly back to the supplier. For the safety of all our customers, medicines, food or personalised gifts cannot be returned or exchanged unless faulty. Additionally, we can't accept returned cosmetic products that have been opened unless faulty. If you earned Advantage Card points when you purchased the product(s) you are returning, these will be deducted from your Boots Advantage Card account. Exceptions apply. This does not affect your statutory rights. To return an item delivered direct from one of our suppliers, you'll need to contact the supplier in the first instance according to the despatch note instructions.

Points are not available on NHS prescription items, private prescriptions (excluding those associated with a pharmacy service and selected dispensary items), infant milks (up to 6 months), gift cards, paper bag levy and Boots Insurance and Travel Services and professional discount cards. In addition, points are not available on gift boxes, charitable merchandise and delivery charges for purchases made online. DISPOSAL OF ELECTRICAL PRODUCTS AND BATTERIES

The Waste Electrical and Electronic Equipment Regulations 2013 (as amended) requires UK countries to maximise the separate collection of waste electrical and electronic items (WEEE) and batteries. In order to minimise hazards to health and the environment, and ensure materials can be recycled, items marked with the bin symbol (above) should not be disposed of with normal domestic waste. They should be taken to your nearest WEEE recycling centre or can be recycled free of charge at your nearest Boots store. Boots has met the requirements for retailers under the WEEE regulations by collecting WEEE in store to be recycled. Boots stores will accept old electrical and electronic items on a like-for-like basis when purchasing a new item, whether the old item was purchased at Boots or not. Batteries can also be recycled free of charge in stores using the battery collection boxes. Please see [boots.com/electrical/recycle-your-electricals](https://www.boots.com/electrical/recycle-your-electricals) for further information.
